The perfect way to get any 12-year-old giggling and groaning with laughter.

Kids love jokes.

Why? Well, partly it's because humor is essential to their creative and psychological development, but they don't know (or care) about that.

Mostly, it's because laughing is fun.

It brings people together, and it's good for the soul.

When a good joke falls flat, it's because it's aimed at the wrong age group: perhaps it goes over your child's head, or perhaps it's pitched too young and it's too simple for them.

That's why picking a joke book that's tailored for your child's age group is the key to getting them to have the most fun with every single joke.

Cooper the Pooper, a dog with a nose for a good joke, has sniffed out the most hilarious joke for 12-year-olds and collected them all into one treasure trove of hilarity.

With 5 cracking chapters of fun, your child will find giggle after giggle -- aimed exactly at their level.

The best thing is, your child isn't the only one who'll be laughing: each of Cooper's collections is guaranteed to get the whole family giggling.

All you have to do is sit back and let your child steer the fun.

And much more.

Kids love jokes, but the secret to getting that glorious giggle is making sure the jokes are pitched at the right level.
