Aristotle, and Plutarch, he was a slave from the Greek island of Samos who lived between 620 and 564 BC. Dozens of fables have been attributed to Aesop, however given their sometimes conflicting moral lessons, the attribution of some fables to Aesop is considered by certain scholars as to be spurious. Collected together here are some of the most famous examples of Aesop's fables. This edition follows the translation of V. S. Vernon Jones, includes an by G. K.
