Chapter 2: Swimming with Dolphins

Dolphins, known for their playful nature, have always intrigued humans. Sy Montgomery dives into the depths of their world, offering unparalleled insights into their social structures, communication methods, and emotional lives. Montgomery's immersive storytelling takes us on a thrilling adventure as she recounts her experiences of swimming with dolphins and forming profound connections with these extraordinary beings. Prepare to be amazed by their intelligence and their capacity for joy and camaraderie.

Chapter 3: The Wisdom of Trees

In this chapter, Sy Montgomery takes a departure from the underwater realm and delves into the fascinating world of trees. Although static, trees possess a wisdom that is often overlooked. Montgomery unveils their intricate network of communication, their resilience, and their ancient knowledge. She sheds light on the way trees support each other and other living creatures in their ecosystem, inspiring us to reflect on our own connection with nature and the fundamental importance of conservation.

Chapter 4: The Power of Connection

In her final chapter, Sy Montgomery weaves together the threads of her encounters with different creatures to emphasize the power of connection and empathy. Whether it's an octopus, a dolphin, or a tree, Montgomery reveals that all living beings possess an inherent value and the capacity to teach us valuable life lessons. She invites us to reassess our relationship with nature, urging us to recognize the interconnectedness of all species and the responsibility we have in being good creatures ourselves.

"Becoming Good Creature" takes readers on an extraordinary journey that challenges our preconceived notions about animals and the natural world. Sy Montgomery's ability to connect with and understand creatures we often overlook is a testament to the transformative power of empathy and curiosity. Through her engaging narratives, Montgomery sparks a desire within us to embrace our role as compassionate stewards of the Earth. Are you ready to become a good creature?

A New York Times Bestseller

School is not the only place to find a teacher. In this beautiful picture book, learn the many surprising lessons animals have to teach us about friendship, compassion, and how to be a better creature in the world.

Sy Montgomery has had many teachers in her life: some with two legs, others with four, or even eight! Some have had fur, feathers, or hooves. But they've all had one thing in common: a lesson to share.

The animals Sy has met on her many world travels have taught her how to seek understanding in the most surprising ways, from being patient to finding forgiveness and respecting others. Gorillas, dogs, octopuses, tigers, and more all have shown Sy that there are no limits to the empathy and joy we can find in each other if only we take the time to connect.

Based on the New York Times best-selling adult memoir, Sy Montgomery and Rebecca Green's beautiful, friendly guide is for readers young and old who wish to be better creatures in the world. Go ahead, pass it on.
