A hedge witch and a demon face off in the kitchen. No, that hedge witch isn't me anymore. I'm Alessia Hastings. The powerless human cowering in the corner. Until I'm not.

In my next life, I aspire to reincarnate as a slug. Because in this one, my fate is tied to an egotistical, homicidal, bully of a seraph. Unfortunately, so are my powers.

My sabbatical from supernatural society was meant to be a break. Not the eye of the storm.

My return is heralded by the rise of an ancient threat from the Hell dimension. One that wants Lucifer dead. So do the supernaturals. I don't blame it in the slightest. It's just unfortunate that killing me is the only way to kill Lucifer.

To ensure my safety, Kai saddles me up with the elite guard. Their stronghold is otherwise known as Bloodline 2.0. The only problem is, Lucifer and I are now a packaged deal, and Kai has always had an issue with sharing.

As the saying goes: better the devil you know. Because even bullies can have a tragic origin story, and this time, I'm the one who might have to pay the price.

When the Hell dimension comes for me, even an army of Nephilim, vampires, Fae and shifters might not be enough.

Bloodline Destiny is the first book in the direct spinoff of the Bloodline Academy series with the same characters. Bloodline Destiny is an Australian urban fantasy series filled with action, snarky dialogue and slow burn romance. Think Buffy meets Supernatural Academy. Perfect for fans of Chandelle Lavaun, Leia Stone, and Jaymin Eve.
