

Born On The Fourth Of July: A Journey of Independence and Resilience

Every year on the Fourth of July, the United States of America celebrates its independence, marking the birth of a nation under the ideals of freedom and liberty. It is a day filled with joy, pride, and patriotism, where the nation comes

together to honor its rich history and the brave men and women who fought for its freedom.

But there is something unique about those who are born on this auspicious day. They not only celebrate their personal birthdays but also carry with them the symbolism and gravity that comes with being born on the Fourth of July. Their lives become intertwined with the spirit of patriotism and the pursuit of the American Dream.

The Significance of Being Born on the Fourth of July

When someone is born on the Fourth of July, it can often be seen as a special event. In many families, it is a proud moment to have a child born on this important day. Parents feel a sense of honor and their children grow up with a deep connection to their country and its values.

Being born on this day also means sharing a birthday with some of the country's most influential figures, such as President Calvin Coolidge and Supreme Court

Justice Stephen Breyer. It creates a sense of belonging and identification with historical figures who have left their mark on American history.

The Challenges Faced by Those Born on the Fourth of July

While being born on the Fourth of July brings a sense of patriotic pride, it also presents its own set of challenges. A person born on this day may face higher expectations to embody the ideals of freedom, justice, and equality. They may feel a greater responsibility to be active citizens and make a positive impact in their communities.

Additionally, those born on the Fourth of July often find themselves sharing their special day with grand fireworks displays, barbecues, and other Independence Day festivities. This can sometimes overshadow their own personal celebrations and make it difficult to carve out an individual identity apart from the collective patriotic spirit.

Embracing Independence and Resilience

Born on the Fourth of July is not just a phrase. It represents a purposeful existence, a constant reminder of the values that the nation upholds. While it may come with its challenges, it also brings a unique opportunity to embrace independence and showcase resilience.

Those born on the Fourth of July have the power to embody the American spirit and amplify it through their actions. Their births align them with a nation that has faced hardships but has always continued to strive for progress, unity, and justice.

By embracing their birthright, individuals born on the Fourth of July can become trailblazers in their communities and inspire others to live up to the ideals of the

nation. They can actively contribute to making America a better place by advocating for positive change, promoting equality, and upholding the values that make the country strong.

Celebrating the Journey of Independence

On the Fourth of July, as the nation celebrates its independence, it is also an occasion to acknowledge and honor those who were born on this special day. Their journey represents the struggles, dreams, and resilience that have shaped the American society.

Whether they choose to embrace their unique birthdate or celebrate it alongside the nation's festivities, those born on the Fourth of July have a story worth telling. Their lives exemplify the ongoing pursuit of freedom, opportunity, and the ability to shape their own destinies.

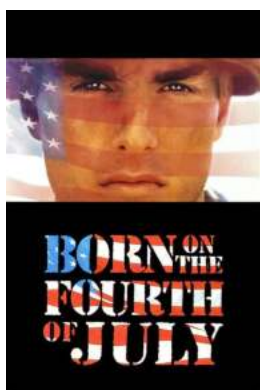

In

Born on the Fourth of July is more than just a date on the calendar. It represents a lifelong connection to the principles and values that have shaped the United States of America. Those who are born on this day carry a special responsibility to honor their birthright and strive towards making their country a better place for future generations.

As the nation celebrates its independence each year, let us also celebrate the resilience and determination of those born on the Fourth of July. Their lives encapsulate the American spirit, embodying the pursuit of liberty, justice, and equality.

So, on this Fourth of July, let us not only honor the birth of this great nation but also acknowledge and appreciate those who were born on this remarkable day.

Together, we can continue to build a stronger, more inclusive America for all.

Born on the Fourth of July: 40th Anniversary

"Classic and timeless."

--New York Times

"The book details Kovic's entering of the Vietnam War as a fierce, pro-war patriot before becoming an outspoken peace activist after an injury paralyzed him and he returned home to a cold reception."

--Rolling Stone

"Born on the Fourth of July tells the story of its author's transition from war hawk to protestor after being paralyzed in Vietnam, and coming home to a lukewarm reception. It's no coincidence that 'Born in The U.S.A.' tells very much the same tale."

--Billboard

"Kovic's book follows him from star high school wrestler to a patriotic American inspired by John F. Kennedy to join the marines to the traumatic 1968 wartime

injury that left him paralyzed from the chest down to his emergence as an outspoken anti-war activist."

--Hollywood Reporter

"The 1976 book, which was made into an Oscar winning film starring Tom Cruise in 1989, details Kovic's period in the Vietnam War as a fierce, pro-war patriot before he became an outspoken peace activist after an injury paralysed him and he returned home to a cold reception."

--NME

"He was born in the U.S.A.--and on the 4th of July. Bruce Springsteen narrates a foreword he wrote in the new audiobook edition of Born on the Fourth of July, Ron Kovic's anti-Vietnam War memoir."

--New York Daily News

"There is no better time than Independence Day to listen [to] The Boss' iconic voice on the foreword and this great work of art."

--Examiner

"For the 40th anniversary of the book, which became a movie in the '80s starring Tom Cruise, a new print edition was issued with a foreword written by Bruce Springsteen, and the audiobook is the only place where you can hear Bruce read his foreword directly to you. That's right, the Boss sets the tone for this extremely powerful and moving memoir in a way that you won't want to miss."

--Omnivoracious

"Forty years ago the Vietnam vet from Massapequa--wounded in combat and in a wheelchair ever since--published his classic war memoir, later made into a film with Tom Cruise. The anniversary edition features a foreword by Bruce Springsteen. Kovic's new book, Hurricane Street, chronicles the 1970s activism

of the American Veterans Movement."

--Newsday

"Born on the Fourth of July chronicles Kovic's transformation from a gung-ho soldier entering the Vietnam War to his return home as a paralyzed man. His experiences overseas, as well as the terrible way he was treated when he came back, made Kovic's book one of the antiwar movement's most celebrated works."

--Ultimate Classic Rock

"Kovic entered of the Vietnam War as a fierce, pro-war patriot before becoming an outspoken peace activist after an injury paralyzed him and he returned home to a cold reception as a veteran. His book tells his story."

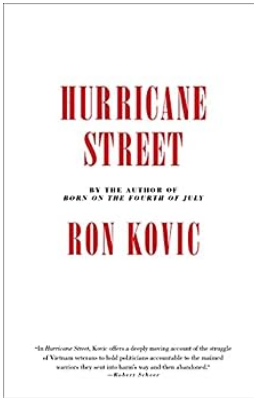

--Radio.com

"Born on the Fourth of July tells the story of Kovic's enlistment and how he became disillusioned with the war over time and especially after he returned home to the States. Many of the book's themes are echoed in Springsteen's hit song, 'Born in the U.S.A.'"

--Asbury Park Press

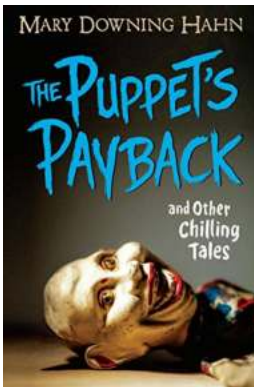

With a new foreword by Bruce Springsteen.

This New York Times best seller (more than one million copies sold), presented here in a special fortieth-anniversary edition with a brand-new foreword by Bruce Springsteen, details the author's life story (portrayed by Tom Cruise in the Oliver Stone film)--from a patriotic soldier in Vietnam, to his severe battlefield injury, to his role as the country's most outspoken anti-Vietnam War advocate, spreading his message from his wheelchair.
