Actress, ballerina, and humanitarian, Audrey Hepburn's story is one of love, generosity, and kindness. Having experienced destitution during her time resisting the Nazi's occupation of the Netherlands during World War 2, Audrey Hepburn lived a purposeful life by constantly giving back to those in similar plights. Her love, kindness, and tenacity in doing the good work of elevating others' lives show us that beauty is more than just how one looks on the outside, but how a person is like on the inside as well.
