The Birth of Crisis Zone

Simon Hanselmann, a renowned Australian cartoonist, introduced the world to Megg, Mogg, and Owl through his webcomic *Megg, Mogg & Owl*. What began as a lighthearted exploration of quirky characters soon evolved into an exploration of existential crises, substance abuse, mental health issues, and the complexities of human relationships.

The dysfunctional trio comprises of Megg, a depressed witch who relies on drugs as an escape from reality; Mogg, her lazy and anthropomorphic cat; and Owl, their naive and often deluded owl friend. These characters act as vessels for Hanselmann's exploration of his own struggles with depression and addiction, resulting in a raw and brutally honest portrayal of life's darkest moments.
