

Death Foretold In Miami Havana And Washington

It seems that death looms over Miami, Havana, and Washington like an ominous cloud, as political turmoil and power struggles intensify in these three cities. The interconnectedness of these locations is fascinating, with each one representing a unique facet of intrigue, danger, and uncertainty.

Miami: The Playground of Power

Miami, renowned for its glamorous beaches and vibrant nightlife, has also become a battleground for power-hungry individuals. From corrupt politicians to drug lords, the city is a hotbed of illicit activities and hidden agendas. Every decision made in Miami ripples far beyond its borders, impacting the lives of countless individuals.

Without Fidel: A Death Foretold in Miami, Havana and Washington by Ann Louise Bardach (Kindle Edition)

The allure of luxurious lifestyles and unlimited power has attracted both desperate dreamers and ruthless opportunists. In the race for supremacy, lives are cut short, and the city's energy is tinged with an underlying sense of danger.

Havana: A City Cocktailed with Revolution

Havana, the capital of Cuba, is a city deeply rooted in a history of revolution. The echoes of Fidel Castro's revolution still reverberate through its streets, as the government strives to maintain its hold on power. Dissent is met with unwavering force, leading many to fear for their lives.

The political climate in Havana is as volatile as the rum-soaked cocktails that fill its bars. Death is a constant shadow that lurks in every corner, with political dissidents disappearing without a trace. The sense of survival and the constant pressure to conform serve as a haunting reminder of the consequences that come with challenging the status quo.

Washington: The Heart of Power

Washington, D.C., the epicenter of political power in the United States, is no stranger to the presence of death. The stakes are high in this city, where decisions made behind closed doors have far-reaching consequences. Loyalties shift, alliances crumble, and lives are sacrificed in the pursuit of political gain.

The corridors of power in Washington are teeming with secrets and hidden agendas. Those who dare to uncover the truth often find themselves entangled in a complex web of danger. Death becomes an ever-present companion, lurking in the shadows as power players maneuver their way through a treacherous maze of intrigue.

Interconnected Paths

While these three cities may appear to be disparate entities, they are interconnected in ways that are both fascinating and alarming. The decisions made by politicians, power brokers, and revolutionaries in Miami, Havana, and Washington reverberate across borders, shaping the fate of nations.

As these cities converge, the future remains uncertain. Will the pursuit of power lead to ultimate destruction? Or will those with noble intentions rise above the chaos, forging a new path toward unity and progress?

From the award-winning reporter and go-to source on Cuban-Miami politics Ann Louise Bardach comes a riveting, eye-opening account of the last chapter in the life of Fidel Castro: his near death and marathon finale, his enemies and their fifty-year failed battle to eliminate him, and the carefully planned succession and early reign of his brother Raúl.

Ann Louise Bardach offers a spellbinding chronicle of the Havana-Washington political showdown, drawing on nearly two decades of reporting and countless interviews with everyone from the Comandante himself, his co-ruler and brother Raúl, and other family members, to ordinary Cubans as well as officials and politicians in Miami, Havana, and Washington. The result is an unforgettable dual portrait of Fidel and Raúl Castro -- arguably the most successful and enduring political brother team in history.

Since 1959, Fidel Castro has been the supreme leader of Cuba, deftly checkmating his foes, both from within and abroad; confronting eleven American presidents; and outfoxing dozens of assassination attempts, vanquished only by collapsing health.

As night descends on Castro's extraordinary fifty-year reign, Miami, Havana, and Washington are abuzz with anxious questions: What led to the lightning-bolt purge of key Cuban officials in March 2009? Who will be Raúl's heir? Will the U.S. embargo end now?

Bardach offers profound and surprising answers to these questions as she meticulously chronicles Castro's protracted farewell and assesses his transformative impact on the world stage and the complex legacy that will long outlive him. She reports from three distinct vantage points: In Miami, where more than one million Cubans have fled, she interviews scores of exiles including Castro's would-be assassins Orlando Bosch and Luis Posada Carriles; in Washington, DC, she reports on the Obama administration's struggle to formulate a post-Castro strategy; in Havana she permeates the bubble around the fiercely private and officially retired Castro to ascertain the extent of his undisclosed medical condition.

Bardach delivers a compelling meditation on one of the most controversial, combative, and charismatic rulers in history. *Without Fidel* includes never-before-published reporting on Castro, his family, and his half-century grip on the largest country in the Caribbean while assessing how his departure will forever transform politics and policy in the Western Hemisphere -- and the world.
