Zoey is a brilliant young girl who has a unique ability – she can see and communicate with magical creatures. Armed with her curious mind and a trusty laboratory in her backyard, she embarks on exciting endeavors to help these fantastic creatures. With the help of her extraordinary cat Sassafra, who also has the ability to transform into a talking cat, Zoey navigates through scientific problems and explores the wonders of the natural world.

In "Caterflies and Ice," Zoey encounters a rare and mysterious creature called a caterfly. These incredible creatures are caterpillars that can freeze and thaw themselves at will. When Zoey discovers a frozen caterpillar, she embarks on a mission to understand its unique ability and help it return to its natural state. With

Sassafras by her side, Zoey dives into scientific experiments and observation to investigate this extraordinary phenomenon.

Citro masterfully blends science and imagination in this captivating story. As Zoey delves deeper into the world of caterflies, readers are introduced to concepts like thermodynamics, metamorphosis, and life cycles. Through accessible explanations and engaging narrative, young readers are inspired to explore and learn more about the wonders of the natural world.

The illustrations by Marion Lindsay perfectly complement the story, capturing the enchanting moments and bringing the characters to life. The attention to detail in the artwork truly immerses readers in the magical world of Zoey and Sassafras.

The adventures and lessons in "Caterflies and Ice" go beyond scientific concepts. It teaches children the importance of empathy, problem-solving, and friendship. Zoey's determination to understand and help the caterflies highlights the value of curiosity and resilience. The strong bond between Zoey and Sassafras exemplifies the power of friendship and teamwork in overcoming challenges.

The Zoey and Sassafras series has garnered an enthusiastic response from children, parents, and educators alike. With its engaging storytelling and incorporation of science, it presents a unique blend of education and entertainment that sparks curiosity and promotes a love for learning.

As an educator, Citro understands the importance of providing children with engaging content that nurtures their curiosity and expands their knowledge. The Zoey and Sassafras series does exactly that, by introducing scientific concepts in a fun and relatable way. Each book in the series allows children to join Zoey on a thrilling adventure while exploring various scientific topics.

In , "Caterflies and Ice" is a captivating addition to the Zoey and Sassafras series that combines science, imagination, and friendship. The enchanting narrative, complemented by beautiful illustrations, takes young readers on an enthralling journey that sparks their curiosity and fosters a love for scientific exploration. So, join Zoey and Sassafras on their remarkable adventures and unlock the magic of caterflies and ice!
