### **About the Author**

**Born in Newcastle upon Tyne, Joel Stern realised from a young age that there was an 'elephant in the room' when it came to the story of his grandfather Freddy's escape from Nazi Germany. It was during a year living in Israel and on multiple visits to the Yad Vashem Holocaust museum in Jerusalem that Joel really became fascinated by this subject and yearned for more information about his great-grandparents, who he knew had perished in Hitler's concentration camps. Despite only ever hearing small snippets of Freddy's story while he was alive, after his grandfather passed away, Joel wanted to piece this story together and put it into a format he could use to introduce his family's history during this dark episode to his own children. Just Freddy is his first book.**
