

Escape North: The Story of Harriet Tubman - Step into Reading

Harriet Tubman's journey from slavery to freedom is a remarkable story of bravery, determination, and the fight for human rights. Her efforts as a conductor on the Underground Railroad have made her an icon in American history. This article takes a closer look at her remarkable life and the impact she made by helping others escape to freedom.

Early Life and Slavery

Harriet Tubman was born into slavery in Maryland around 1822. She experienced the harsh realities of slavery from an early age when she was separated from her family and forced to work long hours under terrible conditions. These early experiences shaped her determination to fight for her freedom and the freedom of others.

Tubman's escape from slavery in 1849 was a pivotal moment in her life. Fearing that she would be sold and permanently separated from her husband, she made the dangerous decision to flee north. With the aid of the Underground Railroad, a network of abolitionists and safe houses, Tubman successfully reached Philadelphia and started a new life as a free woman.

The Underground Railroad

However, Tubman's desire for freedom did not end with her own escape. Instead, she became one of the most active conductors on the Underground Railroad. Tubman returned to the South numerous times, risking her life to guide enslaved individuals to freedom.

The Underground Railroad was not an actual railroad, but a secret network of safe houses and hiding spots that helped enslaved individuals escape to the North or Canada. Conductors like Tubman played a crucial role in this network, leading those seeking freedom through dangerous territory, keeping them safe from slave catchers, and ensuring their successful arrival at safe destinations.

Tubman's ability to navigate the terrain, her knowledge of safe houses, and her determination to succeed made her a valuable asset to the Underground Railroad. Despite constant threats to her own freedom, she made nineteen journeys back into the South and helped around three hundred enslaved individuals escape to freedom.

Harriet Tubman's Later Activism and Legacy

Even after the end of the Civil War and the abolition of slavery, Tubman continued her fight for equality and justice. She was an active supporter of women's suffrage and worked alongside prominent suffragettes like Susan B. Anthony and Elizabeth Cady Stanton. Tubman also established a home for elderly African Americans in Auburn, New York, and provided care for those in need.

Harriet Tubman's legacy as a courageous abolitionist and freedom fighter still resonates today. Her selflessness and determination to help others have inspired countless individuals to fight for equality and justice. In recognition of her incredible contributions to American history, Tubman is set to become the face of the new \$20 bill, becoming the first African American to appear on U.S. currency.

Escape North: The Story of Harriet Tubman - Step into Reading

Escape North: The Story of Harriet Tubman is a book in the Step into Reading series that introduces young readers to Tubman's incredible journey.
