### The Setting: Persian Empire

Esther's story takes place during the reign of Ahasuerus, also known as Xerxes, in the Persian Empire. Ahasuerus was a powerful and influential ruler, known for his luxurious lifestyle and vast empire that stretched from India to Ethiopia.

When Queen Vashti defied Ahasuerus, she was banished, leaving a vacancy for a new queen. Through a series of events orchestrated by God's divine providence, Esther, a young Jewish woman, was chosen to take Vashti's place.

### The Plight of the Jewish People

In the Persian Empire, a wicked advisor named Haman devised a plan to exterminate all the Jews within the kingdom. Encouraged by his hatred and desires for power, Haman convinced Ahasuerus to issue a decree calling for the annihilation of the Jewish people.

Unbeknownst to her husband, Esther was also a Jew, and her cousin Mordecai informed her of the devastating decree. Mordecai urged Esther to use her position as queen to intercede on behalf of her people.

## **Esther's Brave Plan**

Esther faced a difficult task. Approaching the king without being summoned was forbidden and punishable by death. However, Esther knew that she had to risk her life to save her people.

After fasting and praying for three days, Esther appeared before Ahasuerus, who granted her favor by extending his golden scepter. She invited the king and Haman to a banquet, where she revealed her Jewish heritage and exposed Haman's evil intentions.

## **The Triumph and Celebration**

Through Esther's bravery and God's intervention, the lives of the Jewish people were spared. Ahasuerus rescinded the decree and instead allowed the Jews to defend themselves against their enemies. The wicked Haman, who plotted their destruction, was ultimately punished.

Following their triumph, the Jewish people celebrated their deliverance with a joyful festival known as Purim, a commemoration that continues to this day.
