As he grew older, Mulli ventured into the city, seeking better opportunities and a chance to escape poverty's relentless grip. Unfortunately, life did not grant him an easy path, and he found himself homeless and fending for himself on the streets of Nairobi. It was during this period of despair that Charles Mulli vowed to make a difference in the lives of abandoned children, thus igniting the spark for his life's mission.

A Miraculous Turn of Events

Destiny intervened in Mulli's life when he was offered a job as a farm worker by a compassionate rural family. This opportunity opened doors and allowed him to learn the skills needed to build a successful transport business, which eventually led him to become a millionaire. Despite his newfound prosperity, Mulli remained deeply affected by the persistent image of abandoned children on the streets of Kenya.

Driven by compassion, Charles Mulli made a life-altering decision. He sold off all his material possessions, including his businesses, and established the Mully Children's Family (MCF). This transformative nonprofit organization aimed to

rescue, rehabilitate, and provide a loving home for abandoned and orphaned children in Kenya.

A Father To Thousands

Fast forward to the present day, and Charles Mulli has become a father figure to thousands of children who have nowhere else to turn. Under the umbrella of the Mully Children's Family, he has provided them with holistic care, including education, healthcare, and spiritual guidance. The MCF now operates various programs, such as street children rehabilitation centers, schools, and vocational training centers, ensuring that each child receives the support they need to thrive and become successful individuals.

Moreover, Mulli's impact stretches beyond the children he directly cares for. His story has inspired countless individuals, organizations, and even governments to take a stand against the plight of abandoned children. The MCF has become a beacon of hope and a symbol of the incredible change one person can bring about.

The Journey Continues

Six-year-old Charles Mulli wakes up in his Kenyan hut to discover his parents have abandoned him. Forced to beg from hut to hut in search of food, Charles scrapes out a meagre existence while trying to come to terms with his abusive past and seemingly hopeless future. As a teenager, Charles is invited by a friend to a crusade where he commits his life to Christ. That act begins a unique adventure of faith, miracles, and a passion for reaching street children. After years of struggle, Charles experiences unprecedented success. He finds a wonderful wife, raises a family, excels in business to such a degree that he creates an empire that is noticed by the President of Kenya. Charles becomes a pinnacle in the Church movement, but then his life changes again. In spite of his

tremendous achievements, the plight of the growing street children problem in his country remains strong in Charles' heart. He is unable to shut out their cries, the cries he understands so well, and he realizes he must respond. Convicted by God to give away all his possessions, Charles sells everything to pursue his passion of rescuing street children from the slums of Kenya. He battles against corrupt religious establishments, supernatural enemies, and intense financial pressures to bring hope to those whose lives reflect his own childhood. Mullu Children's Family (MCF) Orphanage was founded and established by Charles and Esther Mulli in response to the desperate needs of street children, abandoned children, and HIV/AIDS orphans in Kenya in 1989. Father to the Fatherless is the true story of a man whose life begins in desperate poverty, moves to riches, and finally servanthood, where he becomes a real-life demonstration of selfless love and sacrifice that challenges us to evaluate the cost of giving up all to God in the service of others.
