Who is Gary Keese?

Gary Keese is a successful entrepreneur, best-selling author, and international speaker who has dedicated his life to sharing practical principles on finances and business. With over 30 years of experience, he has helped thousands of individuals and couples break free from financial struggles and build a solid foundation for wealth creation.

Through his books, live events, and online programs, Keese empowers people with the knowledge and tools they need to take control of their finances and create the life of their dreams. His unique approach combines practical strategies with spiritual wisdom, making his teachings relatable to people from all walks of life.

Fixing The Money Thing: A Paradigm Shift

Fixing The Money Thing is Gary Keesee's flagship book that has transformed the lives of many. In this groundbreaking work, he challenges conventional money management practices and encourages readers to adopt a new mindset towards wealth creation.

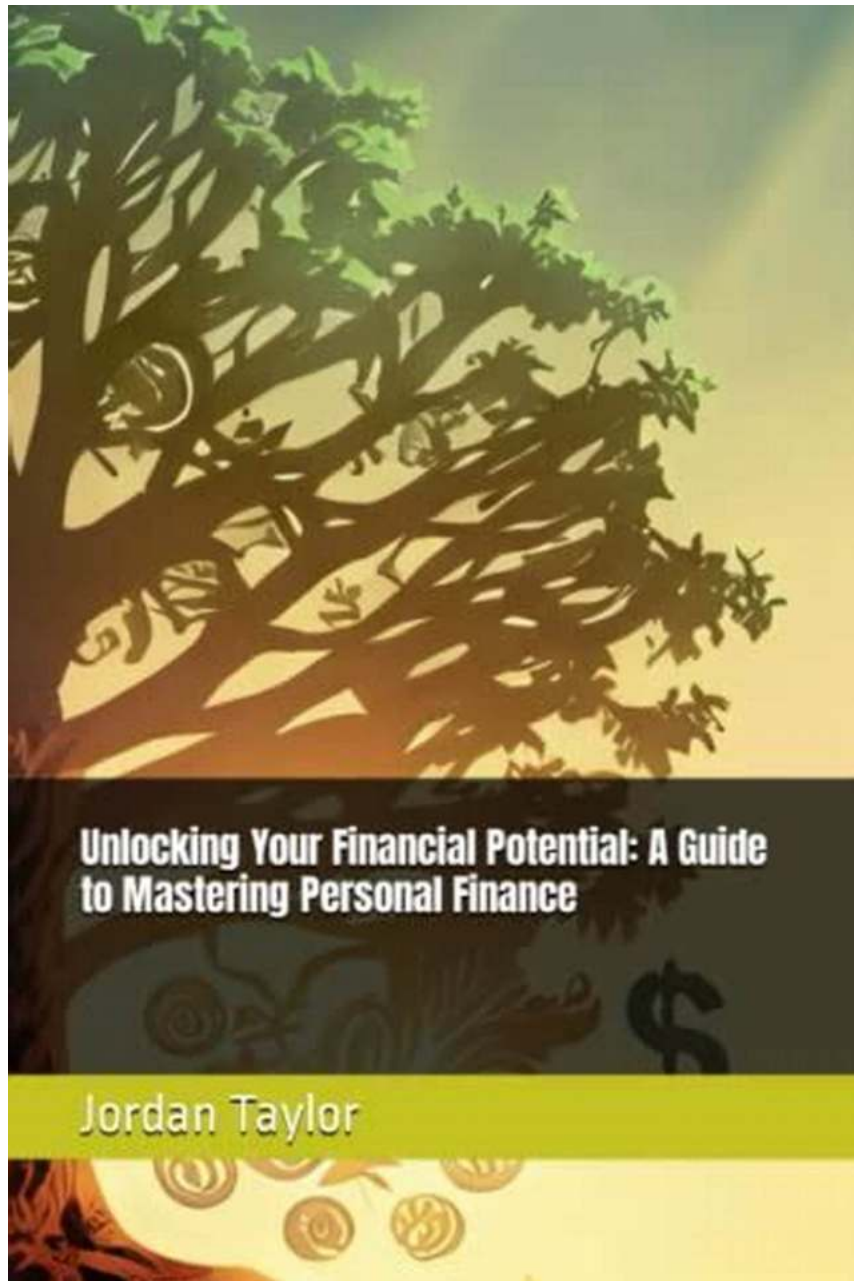

The book begins by debunking common myths surrounding money, such as the notion that wealth is limited or that financial success is only attainable for a select few. Keesee introduces readers to the concept of abundance, highlighting how our beliefs and thoughts shape our financial reality.

Throughout the book, Keesee shares his personal journey of experiencing financial struggles and how he managed to turn things around by changing his perspective. He provides practical steps and strategies that anyone can apply to their own lives, regardless of their current financial situation.

One of the core principles emphasized in the book is the importance of understanding the biblical perspective on money. Keesee draws inspiration from various passages within the Bible to shed light on money's true purpose and the principles that govern its flow.

By aligning our beliefs and actions with these biblical principles, Keesee believes we can tap into a source of infinite abundance and experience financial breakthroughs. Fixing The Money Thing serves as a guide for individuals who are looking to shift their mindset and rewrite their financial story.

Unlocking Your Financial Potential

So, how can you unlock your full financial potential using the principles outlined in Fixing The Money Thing? Here are some key takeaways:

1. Transform Your Mindset

The first step towards financial freedom is to change your mindset. Keesee argues that our thoughts and beliefs about money have a direct impact on the level of wealth we can attract into our lives. By identifying and reprogramming any

negative beliefs or limitations we may have, we can create a new mental framework that aligns with abundance.

2. Embrace a Lifestyle of Generosity

Contrary to popular belief, Keesee highlights the importance of generosity in building wealth. Rather than hoarding money, he encourages readers to adopt a mindset of giving and generosity. According to Keesee, generosity is a key component of the flow of abundance, and by giving, we open ourselves up to receiving even more.

3. Set Clear Goals

Keesee emphasizes the importance of setting clear and specific financial goals. Whether it's getting out of debt, starting a business, or saving for retirement, having a clear vision of what you want to achieve financially will guide your actions and keep you motivated.

4. Take Action and Take Risks

While mindset and intention play a vital role, taking action is equally important. Keesee encourages readers to step out of their comfort zone and take calculated risks in pursuit of their financial goals. Whether it's starting a side business, investing in stocks, or taking on new opportunities, taking bold and strategic actions can propel you towards financial success.

5. Surround Yourself with Like-minded Individuals

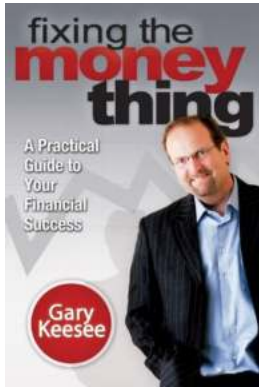

Lastly, Keesee stresses the importance of surrounding yourself with individuals who share your financial goals and aspirations. Being in a supportive community can provide invaluable guidance, accountability, and inspiration as you navigate your financial journey.

In

Fixing The Money Thing by Gary Keese offers a refreshing and transformative approach to managing finances and unlocking your full financial potential. With a blend of practical strategies, biblical insights, and empowering stories, Keese equips readers with the tools they need to break free from financial struggles and create a life of abundance.

Your days of feeling enslaved, discouraged, and overwhelmed by your financial problems are over!

From struggling financially all the way up to building a successful worldwide ministry and enjoying financial freedom, author Gary Keesee shares his journey and his proven successful principles so you can control your finances.

You will learn the spiritual laws of God's Kingdom and exactly how to apply each principle discussed. Also clearly and expertly explained is how to:

- Find lost money.

- Put a plan in place to be out of debt in less than 7 years (including your mortgage!).
- Save in every area of life.
- See that the financial laws of the Kingdom can intersect with the natural realm to bring you freedom from worry and fear.

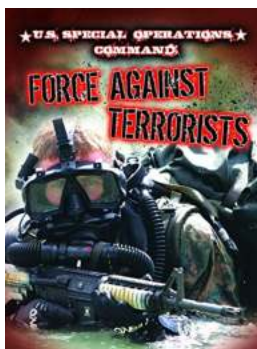

From pitfalls to avoid to proactive steps to take, the path to financial freedom is clearly illuminated.

Fixing the Money Thing is not a book of boring numbers and budgets—it is an inspirational book that will change your life in many positive and lucrative ways.
