One of the best ways to drive traffic to your website is by using free offers. No matter

how much things may change on the internet, one thing stays the same -people love

to get things for free!

This was true long before the time of the internet, when magazine, TV and direct mail

marketers knew the power of free offers. This tactic is still used in offline marketing,

of course, but the internet gives you many more ways to take advantage of this strategy. In this report, we'll be exploring some of the many ways you can

leverage

the power of free offers, including:
