### Step 2: Prepare and Arrange

Once you have gathered your ingredients, it's time to prepare and arrange them on your brunch board. Follow these steps:

#### Preparation:

1. Wash and slice the fruits. For larger fruits like melon, cut them into bite-sized chunks.
2. Slice the cheeses and meats into thin, appetizing pieces.
3. If you're including homemade granola or muesli, prepare it in advance.
4. Peel and slice the hard-boiled eggs.

5. Cut the bread and bagels into manageable sizes.
6. Chop any vegetables you plan to include.

### **Arranging the Board:**

Start by selecting a large platter or board that can accommodate all your ingredients. Here's how you can arrange them:

1. Place bowls or small dishes on the board to hold spreads, jams, and dips.
2. Position the cheeses, meats, and cured salmon slices around the board, making sure they are visually balanced.
3. Fill the empty spaces with colorful fruits and vegetables for an appealing look.
4. Add bread, bagels, and crackers in an attractive arrangement.
5. Sprinkle granola or muesli over the yogurt or cottage cheese.
6. Finally, garnish with a few fresh herbs for that extra touch.

### **Step 3: Enjoy!**

Once your brunch board is ready, gather your friends, family, or brunch buddies and enjoy this delightful culinary creation together. The beauty of a brunch board is that it encourages everyone to mix and match flavors, creating their own perfect brunch bites.
