## The High Price Of Telling Lies

“Help, help! A wolf!” he cried, from the top of a hill.  
And his brothers’ red faces appeared – what a thrill!

They were panting from running; they were all out of breath,  
And their faces were red like he’d scared them to death.  
“Ha, ha!” he laughed aloud: “Look at all of you run!”  
But the brothers all scolded, “Don’t do that for fun!”

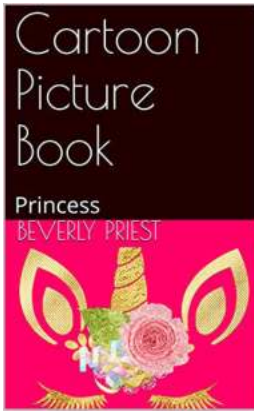

### HONESTY IS THE BEST POLICY

"The Wolf is Coming" is well-written and a lovely rhyming tale. Children will delight in the bright illustrations, and the story itself. This book shares an important lesson, which all young children should learn. I can see the author spent time lovingly perfecting her book. I highly recommend it for families, children, and teachers. You're sure to enjoy it.
