#### ABOUT AWARD-WINNING THE AUTHOR MR. MEUS:

Who IS he, you ask? Who IS Mr. Meus? Any relation to the famed Dr. Seuss?

No relation through blood; just connection through rhyme: a marvel that travels through space and through time.

That Marvel of Rhyme, carried by Mother Goose, and so beautifully spun by the great Dr. Seuss.

Then the Dr. passed on, and his rhymes stayed behind. But who would the Marvel of Rhyme come to find?

There was a young man; as "Meus" he was known. And it seemed he was destined also to own...

That Marvel of Rhyme, that so very few see. Their names even rhymed--it was just meant to be.

Like you, Meus grew up with the Grinch and the Cat. And he felt in himself, "Hey, I can do that."

One day he was reading that Green Eggs and Ham, and then he just knew, "I'm a Rhymer, I am."

So he dug up some paper and pulled out a pen, and just started writing and then... then... well, then...

Born was the Mr. - one tale then another. So go tell your mother, your father, your brother,

Your uncle, your grandma, your neighbour, your sister, about this new Meus that they're calling Mr.

His rhymes have that marvel of old Mother Goose and that master of rhyme, the great Dr. Seuss.

That marvel of Meus: it's awe and then some. So stay tuned for the wonder... there's more yet to come.

"If you like Dr. Seuss, you'll love Mr. Meus."
