

# Inspiring Stories: Empowering and Motivating Girls Around the World

## BowTies Inspirational Stories

I've spent the last couple of years struggling with the fact that I haven't been able to fit into some of my clothes. Clothes that, just a short time before, I wore with no problem. They even looked great on me.

It's been frustrating and discouraging to say the least. It's affected my mood, my self-esteem, my attitude, and dare I admit had me bordering on depression. To say it's had a negative impact on my life would be an understatement.

Yesterday I hit my breaking point.

Fighting back tears, I thought enough was enough and finally decided to take control and do something about it.

So I got up off the couch, put my sweats on, and went right out and bought some bigger clothes.
