This is a little book about a little girl with a big courage. Liza is about to start her big adventure; however, this adventure has nothing in common with those she had before.

Some people may think that war is not the topic to be discussed with children. However, many children face this reality, while others are interested in it. This book is a nice way to explain children something about war without being cruel or too serious. Liza's naive view will help to explain both parents and children how the youngest of use perceive dangerous events.
