

# Molly's Story: A Heartwarming Puppy Tale That Will Melt Your Heart

resilience

You never know when you are minutes away from a breakthrough. You never know when you are one project away from the promotion. You never know when you are one hour of studying away from passing the exam. You never know when you are one song away from landing the record deal... *That* is why you keep going; *that* is why you keep trying. That is why when you fall down, you stand back up. Because the truth is too many people quit before even giving themselves a real chance. They stop because it isn't happening fast enough or how they thought it would work out... My beautiful friend, remember that all good things take time. Be patient, and your time will come too.

- Nikki Banas
