“Rarely have people placed such profound trust in a single man”

But rarer still is how Moshe Dayan commanded the complete trust of the majority of Israelis.

Born in the first kibbutz in 1915, Moshe Dayan's life was an unbroken chain of war and death his constant companion.

As a teenager, he joined the Haganah and within a decade, had met two of the three men he considered to have had the greatest influence on him - Yitzhak Sadeh and Orde Wingate.

Losing his left eye to a sniper in 1941, while the psychological wound never truly healed Dayan remained a force to be reckoned with.

Retiring as Chief of Staff in 1958, Dayan followed his father's footsteps and entered the world of politics, becoming first Minister of Agriculture and then Defense, in 1959 and '67 respectively.

In his lifetime, he became a symbol for the tiny country whose existence continues purely by its courage in a sea of enemies that forever threaten its destruction.

Brimming with personal insights, Shabtai Teveth's 1972 biography is a remarkable portrait of a remarkable man before he became Israel's Minister of Foreign Affairs.
