As Now hits its landmark tenth issue, what better time to bring back the cover artist who launched the series? Painter and cartoonist Rebecca Morgan returns

with one of her signature depictions of the underbelly of America. Meanwhile, the issue also features new work by a number of familiar names, such as Steven Weissman, Tim Lane, and Walt Holcombe. Young Frances creator Hartley Lin contributes his first piece to the magazine, as does Italian cartoonist Sylvia Rocchi and American cartoonist M.S. Harkness — with a piece about competitive weightlifting during the Covid-19 pandemic! Along with other surprises, Now #10 includes one other special feature: a tribute to the late cartoonist Richard Sala (1954-2020), a cartoonist who built his long career contributing to various anthologies of the 1980s, including the legendary Raw magazine. We are pleased to present nine previously unpublished pages of comics by Sala, all created as an art student in the 1970s and presaging a prolific and brilliant oeuvre to come. Also: comics by Nick Thorburn, Jacob Weinstein, Joakim Drescher, and Julia Gfrörer.
