AFI Film Readers are a unique group of individuals who are passionate about making the magic happen. They are responsible for reading scripts, analyzing storylines, and providing valuable feedback to ensure that each Disney film captures the essence of what makes the Magic Kingdom so special.

## The Role of AFI Film Readers

The role of an AFI Film Reader is multifaceted. They are the first line of defense when it comes to ensuring that the stories told on the big screen align with the

Disney brand. AFI Film Readers meticulously analyze scripts, looking for elements such as strong character development, compelling plotlines, and messages that portray the values of the Magic Kingdom.

Once a script is selected, AFI Film Readers collaborate with the creative team to provide feedback and make suggestions that will enhance the overall storytelling experience. They work closely with writers, directors, and producers to ensure that every aspect of the film aligns with the vision and brand of Disney.

### **Precise Attention to Detail**

Much like a magician, the AFI Film Readers understand that the magic lies in the details. They pay close attention to every element of a script, analyzing dialogue, scene structure, and character arcs to ensure that the story comes to life in a captivating way.

Every word, every line, and every scene is carefully scrutinized to ensure that it contributes to the overall magical experience that Disney is known for. AFI Film Readers understand that Disney films are not just entertainment; they are an opportunity to transport audiences to a world where anything is possible.

### **Bringing the Magic to Life**

Once a film is in production, AFI Film Readers continue to play a crucial role. They provide ongoing feedback, attend screenings, and participate in discussions to ensure that the film captures the heart and soul of the Magic Kingdom.

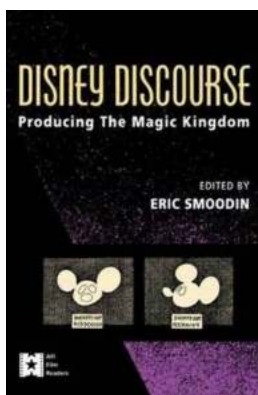

AFI Film Readers understand that the success of a Disney film is not just measured in box office numbers, but in the emotional connection it creates with the audience. Their goal is to bring the magic to life and create an experience that will resonate with audiences for years to come.

## The Journey of a Magical Film

The journey of a Disney film from script to screen is a long and intricate one. AFI Film Readers are there every step of the way, ensuring that the magic is preserved throughout the process.

From selecting scripts that embody the Disney spirit, to providing feedback and guidance throughout production, AFI Film Readers are the unsung heroes behind the magic that audiences experience in the theaters. Their dedication and love for the Disney brand is what makes the Magic Kingdom truly come alive on the big screen.

Producing the magic of the Disney universe is no small task. The AFI Film Readers play a vital role in ensuring that each Disney film captures the essence of what makes the Magic Kingdom so special. Their attention to detail, passion for the brand, and collaboration with the creative team bring the magic to life and create an enchanting experience for audiences around the world.
