## 2. Greta Thunberg - Climate Change Warrior

Greta Thunberg, a teenage climate activist from Sweden, has become a prominent voice in the fight against climate change. Through her #FridaysForFuture movement, she has mobilized millions of young people worldwide to demand urgent action to address the climate crisis. Greta's

dedication and determination have sparked a global movement and influenced policymakers to prioritize climate action.

### **3. Kamala Harris - Breaking Political Barriers**

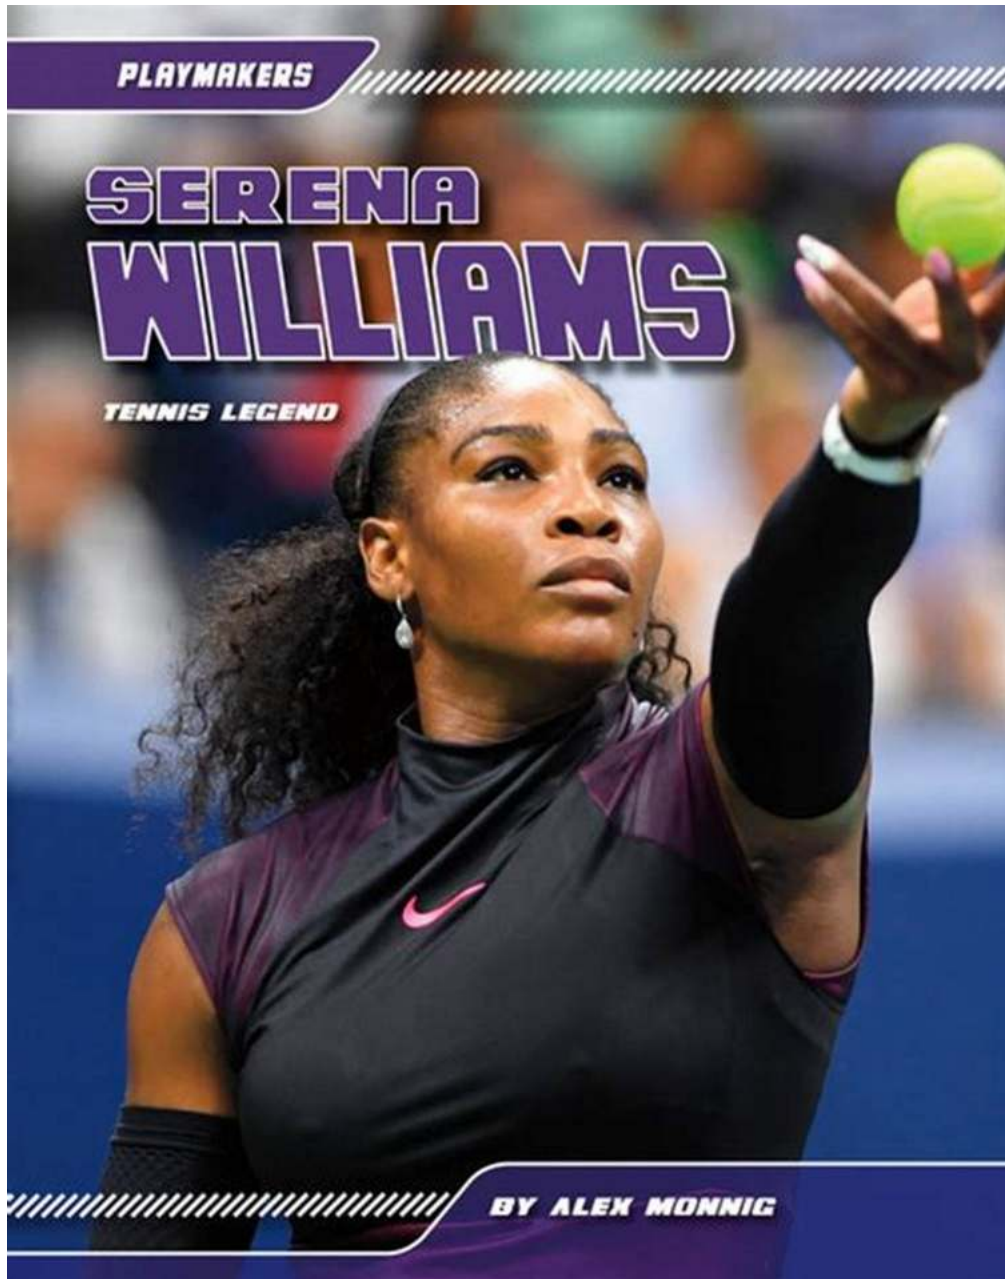

Kamala Harris made history by becoming the first woman, first African American, and first Asian American Vice President of the United States. Her achievement has shattered glass ceilings and inspired countless young girls to dream big and pursue their aspirations. As an advocate for gender equality and social justice, Vice President Harris continues to empower women and drive positive change.

### **4. Marillyn Hewson - Leading in the Aerospace Industry**

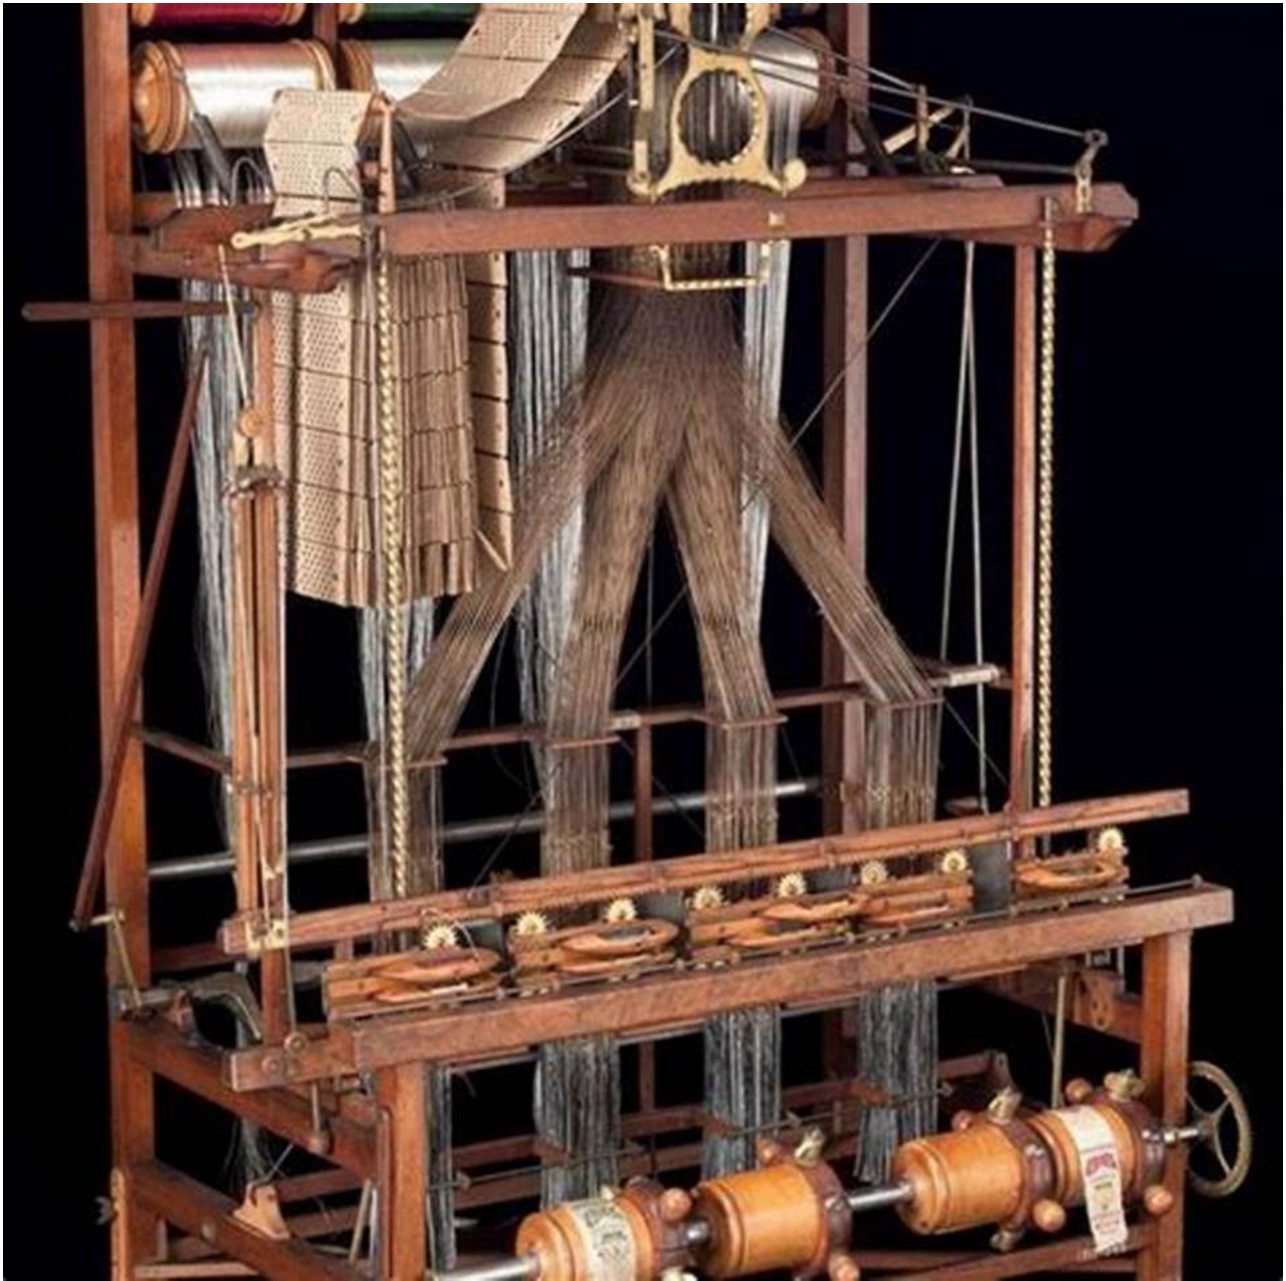

Marillyn Hewson, the former CEO of Lockheed Martin Corporation, is a trailblazer in the aerospace industry. Under her leadership, the company achieved significant milestones, including technological advancements and increased diversity within the organization. As an influential businesswoman, Hewson has become a role model for women aspiring to excel in traditionally male-dominated sectors.

## **5. Serena Williams - Dominating the Tennis World**

Serena Williams, one of the greatest tennis players of all time, has not only dominated the sport but also used her platform to advocate for women's rights and gender equality. Despite facing discrimination and unfair treatment, Serena has remained resilient and continues to inspire a new generation of female athletes to break barriers and pursue their passions.

## **6. Ada Lovelace - Pioneering Computer Science**

Ada Lovelace, often regarded as the world's first computer programmer, made significant contributions to the development of computer science in the 19th century. Her analytical thinking and innovative ideas laid the foundation for modern computing and inspired future generations of women to pursue careers in STEM fields. Ada's legacy continues to shape the digital landscape we live in today.

## 7. Melinda Gates - Philanthropic Endeavors

Melinda Gates, co-founder of the Bill & Melinda Gates Foundation, has dedicated her life to philanthropy and improving global health and education. Through her initiatives, she has empowered women and girls by providing them with access to healthcare, education, and economic opportunities. Melinda's unwavering commitment to social causes has positively impacted millions around the world.

These are just a few stories of remarkable women who are changing the world right now. Their contributions, determination, and resilience inspire not only girls and women but society as a whole. By sharing their stories and acknowledging their achievements, we can promote girls' empowerment and create a more equal and inclusive future for all.

You may know the stories of some of these influential women and girls like Environmental Activist Greta Thunberg, U.S. Congresswoman, Alexandra Ocasio Cortez or Princess Meghan Markle. But how much do you know about 30-year-old Finland prime minister, Sanna Marin, 15-year old Nobel Peace Prize Winner Malala Yousafzai or 13-year old Homelessness Activists Khloe Thompson and 15-year old book activist Marley Dias?

In *Girls Can Be Anything*, you'll learn about an amazing group of diverse women and girls who are changing the world right now. Nothing can stop these girls from leaving their mark on the world, not age, some of these girls are not even teenagers yet. Not gender, these women are taking action and accomplishing extraordinary change in the world regardless of what anyone says. Whether excelling in male-dominated fields such as politics or business. To becoming some of the world's most popular activists and speaking out against injustice and discrimination; or advocating for the planet, for the homeless, for diversity in books, for clean water or for school safety these girls are doing anything.

Each profile is paired with the most beautiful artistic illustration designed to inspire and motivate readers of all ages and genders. The Book Features women and girls from teen activists to titans like Oprah Winfrey, Linda J. Wachner, Melinda Gates, Angela Merkel and Michelle Obama who are all having an impact and changing the world right now and will continue to for many years to come.
