The magical world of Harry Potter and his friends (and enemies!) is one that is now host to a wealth of wonderful information. Over seven books, J K Rowling has introduced us to a fantastical place where I am sure many of us would like to live – despite the risks of coming across Dark Wizards or scary beasts!

This fun quiz aims to add one more bit of fun to that world, by testing the reader’s knowledge. These questions are based on the world as told to us in the books, rather than the series of films – as the two are sometimes quite different!

Perhaps you will read this book on the bus home after a long day at work or school, or maybe you will test your friends to see if they are as much of a magical expert as you are. Whichever way you use these pages, I hope you enjoy reading them as much as I did whilst writing them!

To all the wizards and witches of the world.
