## **GST and Tally Prime**

GST (Goods and Services Tax) is a significant tax reform introduced in India to replace multiple indirect taxes. It revolutionized the tax structure and brought uniformity in tax rates across the country. Tally Prime is fully GST-compliant, making it an essential tool for businesses operating in India.

When you use Tally Prime for your financial management, the software automatically calculates the GST amounts and generates GST invoices, making the entire process hassle-free. It ensures accurate and timely GST compliance, minimizing the risk of penalties and legal issues.

## **Complete Syllabus of Tally Prime with GST**
