True tales of situations met and often endured while living a wandering life, the story describes the career of a Bell Canada employee through promising beginnings to humiliation, defeat and revival after his shock is mistakenly understood as his standing in the way of a plan to cover up a tragic act of negligence.

Work takes him on the road from day one, and the nature of travel as a condition of employment is demonstrated by a close look at the people met at work and in the town of the week.

To everyone who uses a telephone, its time to meet the people behind the service.
