The Beginning of an Extraordinary Journey

One sunny morning, Roxy and her family set out on a road trip to visit their relatives in Alberta. Little did they know that this trip would be unlike any other they had taken before. As they crossed the provincial border, they stumbled upon an ancient artifact – a mysterious pocket watch.

The moment Roxy touched the watch, a whirlwind of energy engulfed the family, transporting them back in time, before their very eyes. They found themselves in the heart of Alberta, but in a different era.

Transported to the Prehistoric Times

The first stop on their time-traveling adventure was the prehistoric era. Roxy and her family encountered magnificent dinosaurs, seemingly coming to life in their natural habitat. They marveled at the incredible size of these creatures and witnessed the power of nature unfold right before their eyes.

A Stroll Through the Wild West

As the family continued their journey through time, they landed in the Wild West. They found themselves in the middle of a bustling cowboy town, complete with saloons, cowboys on horseback, and the sound of spurs jingling with every step.

Roxy, along with her family, joined a group of cowboys for an exhilarating horseback rodeo. They learned how to rope cattle, master the art of barrel racing, and even enjoyed a thrilling showdown at the legendary OK Corral.

Witnessing the Mighty Dinosaurs Once Again

With a twist of fate, Roxy and her family were transported back to the prehistoric era once more. This time, they had the opportunity to get up close and personal with the dinosaurs. They even had the chance to ride a mighty T-Rex!

Exploring the Canadian Rockies

After bidding farewell to the prehistoric era, Roxy and her family found themselves in the majestic Canadian Rockies. The towering mountains, serene

lakes, and dazzling glaciers seemed like a dream come true. They ventured on breathtaking hikes, witnessed mesmerizing waterfalls, and discovered hidden caves.

Return to the Present

Although the family would have happily continued their time-traveling adventure forever, it was time to return to the present day. With a heavy heart, they held hands and touched the magical pocket watch once again.

In a flash, Roxy and her family found themselves back in their car, driving along the familiar roads of Alberta. They whispered to each other, relishing the memories of their incredible journey and promising to keep the magic alive in their hearts forever.

An Unforgettable Alberta Experience

Roxy and her family had experienced the wonders of Alberta like never before. Their time-traveling adventure took them to extraordinary places, allowing them to witness the beauty of the past while cherishing the present. It was a tale they would never forget and an experience that would forever be etched in their hearts.

What if people could actually go back to the past?

The 15-year-old twins Roxy and Ray soon find out, when their eccentric Uncle Bob from Drumheller discovers two magical dinosaur eggs and builds a time machine. In the blink of an eye, the twins and their dog, Jasper, travel back to Alberta's early days. In Edmonton, while celebrating the province's birth in 1905 and its anniversary 10 years later, they meet many famous historical characters. As their amazing adventure continues, the trio boards a train to Calgary and, en route, comes face to face with a giant arm wrestler, train robbers, and a cage full of escaping rattlesnakes.

A riskier leap back in time lands the twins and Jasper in 1912—at the very first Calgary Stampede! There, alongside colourful real-life rodeo stars, the twins set

out to save the career and romance of their great-great-grandmother, a world class trick-roping cowgirl. With time running out, Wild Roping Roxy must somehow get the best of a deadly bucking bronco. And when Family Day Ray rides Hurricane, one of the meanest bulls in the land, the thrill of a lifetime could end in disaster...
