If your special someone has a sweet tooth, then Valentine's Day just might be one of their favorite holidays (after Halloween, that is). On February 14, it's

tradition to give your partner roses, jewelry, or a box of chocolates. Flowers and jewels are nice, of course, but if your partner loves all things sweet and delicious, then we all know what the main attraction is. If you can't easily whip up a delectable Valentine's Day treat, then a sugary box of store-bought candies or chocolates is your next best bet.

No store-bought Valentine's Day candy will ever compare to these homemade confections. This book is for you!
