One fateful day, while Amal was venturing through the desert, it stumbled upon a needle. Now, this was not just an ordinary needle; it was an intricately detailed, golden needle with an eye so small that it seemed impossible for anything to pass through it. However, driven by its urge to explore the unknown, Amal decided to attempt the unthinkable - passing through the eye of the needle.

News of the ambitious camel's endeavor spread like wildfire across the desert, drawing crowds from far and wide to witness this unprecedented feat. The skeptics were quick to dismiss Amal's quest as nonsensical, but there were also those who held onto a glimmer of hope, soon becoming captivated by the audacity of the camel's dream.

The Test of Faith

As the day of the attempt arrived, Amal stood before the awe-struck audience, exuding an air of determination mixed with nervous anticipation. In that moment, the camel's unwavering faith in its abilities shone through, fueling a contagious belief in the possibility of the impossible.

With bated breath, the crowd watched as Amal, with precision and grace, took a deep breath and began its surreal journey. Inch by inch, the camel navigated

through the needle's minuscule opening. The onlookers held their breath, as time seemed to stand still, till finally, to their amazement, the impossible became a reality. Amal emerged victorious, having accomplished the improbable.

A wealthy young man approached Jesus one day and asked what he must do to inherit the Kingdom of Heaven. Jesus told him to sell all of his possessions, give the money to the poor and follow Him. The young man went away distressed because he had great wealth. Jesus then commented to His disciples that it is easier for a camel to go through the eye of a needle than for a rich man to enter the Kingdom of God. This passage has troubled scholars for millenia with the obvious questions - Am I rich? Do I want to be rich? Should I strive to be poor? This book looks at those issues and more as we exam what it is like to live in a modern wealthy society and still be followers of Christ.
