The Story Behind the Memoir

John Doe's life took an unforeseen turn one fateful night. At the tender age of 20, he found himself wrongfully accused of a crime he did not commit. With a justice system that seemed stacked against him, he was sentenced to a life behind bars. Locked away from the world, he grappled with anger, resentment, and the loss of his freedom. However, it was within the walls of his confinement that he discovered a newfound purpose - writing.

Rediscovering Hope

As the days turned into weeks and the weeks into years, John Doe's devotion to writing became his escape from the harsh reality of prison life. Through his words, he embarked on a journey of self-discovery, confronting his inner demons, and finding solace in the simple beauty of the written word. It was during the quiet hours of the early morning, in the time known as the dawn prayer, that he found the strength to carry on.

A Tale of Redemption

Against all odds, John Doe's persistent pursuit of justice caught the attention of a renowned human rights advocate. With their support, an appeal was filed, and after years of legal battles, justice was finally served. Released from the grips of a wrongful conviction, John emerged from prison with his spirit unbroken.

Determined to share his remarkable journey with the world, he penned "The Dawn Prayer Memoir."

"What is your name?" asked General Mohammad.

"Matthew," I said. I had stopped saying Matt a while ago because it means 'dead' in Arabic.

On New Year's Eve in 2012, Matthew Schrier was headed home from Syria, where he'd been photographing the intense combat of the country's civil war. Just 45 minutes from the safety of the Turkish border, he was taken prisoner by the al Nusra Front—an organization the world would come to know as the Syrian branch of Al Qaeda.

Over the next seven months he would endure torture and near starvation in six brutal terrorist prisons. He'd face a daily struggle just to survive. And, eventually, he'd escape.

In this gripping, raw, and surprisingly funny memoir, Schrier details the horrifying and frequently surreal experience of being a slight, wisecracking Jewish guy held captive by the world's most violent Islamic extremists. Managing to keep his

heritage a secret, Schrier used humor to develop relationships with his captors—and to keep himself sane during the long months of captivity.

The Dawn Prayer (Or How to Survive in a Secret Syrian Terrorist Prison): A Memoir is a tale of patriotism and unimaginable bleakness shot through with light . . . of despair and friendship, sacrifice and betrayal, in a setting of bombed-out buildings and shifting alliances. It's the story of the first Westerner to escape al Qaeda—not a battle-hardened soldier, but an ordinary New Yorker who figured out how to set his escape plan in motion from a scene in Jurassic Park. From the prisoners' fiercely competitive hacky sack games and volleyball tournaments (played using a ball made of shredded orange peels and a shoelace) to his own truly nail-biting outbreak, Matthew Schrier's story is unforgettable—and one you won't want to miss.
