

The Descendants Of John Baker Ca 1640 1704 Of Hartford Connecticut

John Baker, born around 1640 in Hartford, Connecticut, played a significant role in shaping the history of his community and leaving a lasting legacy. This article will dive into the fascinating story of John Baker and his descendants, highlighting their contributions to the growth and development of Hartford, Connecticut.

Early Life and Arrival in Hartford

John Baker was born in the mid-17th century, during a time when the American colonies were slowly starting to take shape. He arrived in Hartford as a young man, seeking new opportunities and joining the growing community. Hartford, being one of the oldest settlements in the United States, provided John Baker with a promising environment to build a prosperous life.

Although there isn't much information available about John Baker's early life, his presence in Hartford sparked a series of events that would shape the destiny of his descendants.

Contributions to Hartford

John Baker quickly became involved in the local community, actively participating in town meetings and making significant contributions to the growth of Hartford. He was known for his excellent business acumen and entrepreneurial spirit.

One of Baker's notable accomplishments was the establishment of a successful trading post in Hartford. His business prowess allowed him to interact with various indigenous tribes and European settlers, facilitating trade and fostering cultural exchange. The success of Baker's trading post contributed to the economic prosperity of Hartford and solidified his position as a prominent figure within the community.

Furthermore, John Baker was deeply involved in the development of Hartford's infrastructure. He played a pivotal role in numerous public works projects, including the construction of roads, bridges, and public buildings. Baker's commitment to improving the lives of Hartford residents laid the foundation for the city's future growth and prosperity.

The Baker Family Legacy

John Baker married Elizabeth Thompson, and together they had several children. Their descendants went on to make significant contributions in various fields, leaving a lasting mark on Hartford and beyond.

One of John Baker's descendants, Sarah Baker, became a prominent advocate for women's rights during the 19th century. She tirelessly fought for equal rights

and opportunities for women, championing education and suffrage. Sarah Baker's influence played a crucial role in shaping the early feminist movement in Hartford.

Another notable descendant of John Baker, Thomas Baker, established himself as a respected lawyer and politician. He dedicated his career to fighting for social justice and played a key role in the abolitionist movement. Thomas Baker's legal expertise and relentless pursuit of equality made him a revered figure in Hartford's history.

Preserving the Legacy

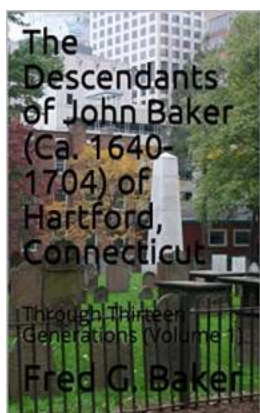

The legacy of John Baker and his descendants lives on today through various initiatives aimed at preserving Hartford's history and heritage. Numerous organizations and historical societies actively work to collect and document information about the Baker family, ensuring their contributions are not forgotten.

Hartford's residents take pride in their connection to the Baker family and actively participate in events and celebrations that honor their legacy. The annual Baker Family Reunion brings together descendants from all over the country, fostering a sense of unity and shared history.

Furthermore, the Baker Family Foundation, established by the descendants themselves, provides scholarships and grants to individuals pursuing education or projects aligned with the values and principles upheld by their ancestors.

The story of John Baker and his descendants demonstrates the power of individual contributions in shaping the destiny of a community. From John Baker's entrepreneurial spirit to Sarah Baker's advocacy for women's rights and Thomas Baker's pursuit of social justice, the Baker family played an integral role in Hartford's growth and development.

As descendants continue to cherish their heritage and actively work towards preserving and honoring their family's legacy, the impact of the Baker family will endure for generations to come. They serve as a reminder that the actions of one person can have a profound and lasting effect on the course of history.

The Descendants of John Baker (Ca. 1640-1704) of Hartford, Connecticut: Through Thirteen

Generations (Volume 1) by Fred G. Baker (Kindle Edition)

John Baker was the first known Baker ancestor of his line to arrive in America. He settled in Hartford, Connecticut, in 1665 and raised a family that produced many generations of descendants. Those descendants explored and settled Connecticut and later spread out into the land and territories of the United States as the country grew westward. They were farmers, soldiers, landowners, businessmen, doctors, lawyers, surveyors, scientists, and statesmen. Some of them, including many patriots of the American Revolution, fought in the battles and wars that helped to define this nation. They had one thing in common—they were all risk takers who sought to better their lot in life. This book tells the story of thirteen generations of Bakers in America. It is both the product of several years of original research and a compilation of the work of previous authors, woven together to reconstruct the history of the people that comprise the huge family of

Bakers and their associated lines. Researching these families led the author to original records and transcripts in libraries, churches, cemeteries, family properties, and historical sites in Connecticut, Maine, Massachusetts, New York, Illinois, Iowa, and other states. The result is a thorough picture of the descendants of John Baker that serves as a reliable resource for readers interested in learning about this amazing family. It also provides an organizational framework onto which other researchers can attach their family trees. The work is presented in two volumes, this being the first of the two. Volume I describes descendant generations one through eight and includes a selection of charts and photos. Volume II presents generations nine through thirteen and contains the overall index for both volumes. Dr. Fred G. Baker is a hydrologist, historian and author living in Colorado. He began investigating his family history out of curiosity about where his branch of the Bakers came from. He is the author of *Growing Up Wisconsin*, *The Life and Times of Con James Baker*, and *The Light from a Thousand Campfires* (with Hannah Pavlik).
