

# The Extraordinary Journey of Statesman Without State: SUNY in Israeli Studies

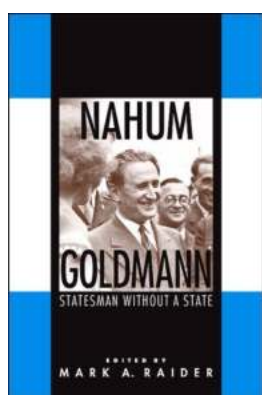

Imagine a world where a small, yet influential group of individuals are tirelessly working towards bridging the gap between different cultures, fostering understanding, and preparing future generations to tackle complex issues.

Welcome to the captivating world of the "Statesman Without State: SUNY in Israeli Studies."

## Background

In the realm of academia, few programs have accomplished what the State University of New York (SUNY) has achieved through its dynamic Israeli Studies program. Reputable scholars, experts, and renowned ambassadors have come together to create an unparalleled educational experience.

### Nahum Goldmann: Statesman without a State (SUNY series in Israeli Studies)

The program's primary objective is to promote a nuanced understanding of Israel - a nation firmly rooted in history, culture, and politics. By delving into the complexities that shape contemporary Israeli society, SUNY has successfully fostered dialogue and built bridges between communities.

## Unraveling the Enigma

With courses ranging from history to literature, political science to sociology, the Israeli Studies program offers a comprehensive curriculum. Students are exposed

to a diverse range of theories, perspectives, and current events related to the region. This multidisciplinary approach ensures a well-rounded education.

One of the program's highlights is a unique opportunity to learn Hebrew, Israel's official language. Understanding Hebrew grant individuals the ability to delve into ancient texts, comprehend local media, and engage directly with Israeli society. The language becomes a key to unlocking the intricate puzzle of Israel.

Beyond the curriculum, SUNY takes an active role in shaping students' experiences through immersive internships. Whether it's working for an NGO, interning at the Israeli Parliament, or joining an archaeological expedition, students get firsthand exposure to various aspects of Israeli society.

## **Discovering Global Impact**

Studying Israeli Studies at SUNY opens doors to global opportunities. Graduates have gone on to become diplomats, consultants, and leaders in their respective fields. Armed with a profound understanding of the region, they navigate complex geopolitical issues with a unique perspective.

The program's reputation attracts a diverse student body from around the world. Engaging in lively, intellectual discussions with classmates from different backgrounds encourages critical thinking and enables students to challenge their own assumptions.

## **Shaping the Future**

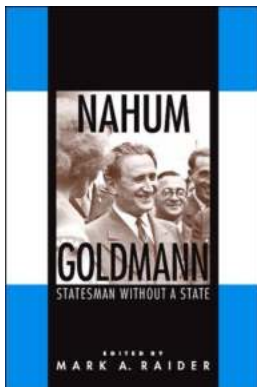

Perhaps the most compelling aspect of the SUNY Israeli Studies program is its emphasis on shaping future leaders. Through scholarships, research opportunities, and mentorship programs, SUNY supports the development of exceptional individuals who will contribute to creating a better world.

As the geopolitical landscape continues to evolve, the need for individuals with a deep understanding of Israel becomes increasingly vital. SUNY's Israeli Studies program aims to produce knowledgeable, empathetic, and well-rounded individuals equipped to tackle the challenges of the future.

## The Journey Begins

Are you ready to embark on a transformative academic journey that goes beyond traditional borders? The "Statesman Without State: SUNY in Israeli Studies" program offers a remarkable opportunity to delve into the heart of a nation, unravel its complexities, and play a part in shaping the future.

Apply now and become a part of a legacy that spans borders, cultures, and generations. Your journey towards becoming a statesman without a state starts here.

Explores the life and career of one of the twentieth century's most colorful Zionist leaders.

The life, career, and legacy of Nahum Goldmann (1895–1982), one of the most colorful and important Zionist leaders of the twentieth century, are fully revealed in this illuminating collection of essays. American, Israeli, and European scholars speak to the many sides of Goldmann, including his upbringing, rise in the international public arena as a premier advocate for Jewish life and the Zionist enterprise, and his role as an elder statesman in the 1960s and 1970s. Often ahead of his time, Goldmann proved highly influential at several critical historical junctures—on the eve of the creation of the Jewish state, he played a key role articulating Israel’s relationship with diaspora Jewry, postwar Germany, and the Arab world. This volume captures Goldmann in all his complexity, while making this important figure and his time accessible to researchers, students, and interested readers.

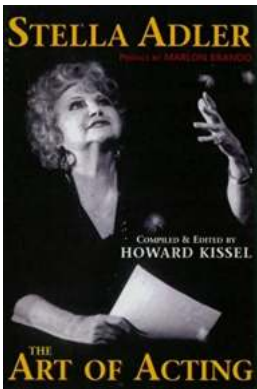

“...this long-overdue book on Goldmann fills a gap in Zionist historiography ... It adds an excellent contribution to the growing literature on the relationship of American Jewry and Jews in other parts of the Diaspora to the state of Israel.” —  
H-Net Reviews

Mark A. Raider is Professor of Modern Jewish History at the University of Cincinnati and Visiting Professor of American Jewish History at Hebrew Union College–Jewish Institute of Religion. He is the author of *The Emergence of American Zionism*. He is also the coeditor of *Abba Hillel Silver and American Zionism* (with Jonathan D. Sarna and Ron Zweig); *The Plough Woman: Records of the Pioneer Women of Palestine, A Critical Edition* (with Miriam B. Raider-Roth); and *American Jewish Women and the Zionist Enterprise* (with Shulamit Reinharz).
