One of the most underestimated—and challenging—positions in the world, the First Lady of the United States must be many things: an inspiring leader with a forward-thinking agenda of her own; a savvy politician, skilled at navigating the treacherous rapids of Washington; a wife and mother operating under constant scrutiny; and an able CEO responsible for the smooth operation of countless services and special events at the White House. Now, as she did in her smash #1 bestseller *The Residence*, former White House correspondent Kate Andersen Brower draws on a wide array of untapped, candid sources—from residence staff and social secretaries to friends and political advisers—to tell the stories of the ten remarkable women who have defined that role since 1960.
