Every young woman’s essential guide to tackling all of the challenges of college—from stress to debt to scholarships—in a completed updated new edition: “Some things are common sense but some things aren’t—especially when it comes to navigating a college campus in a way that’s fun, independent, and totally safe” (Today.com).

Get ready for the best years of your life! From the experts behind Her Campus, this completely updated college guide is bursting with insider tips to help you navigate classes, relationships, and all your extracurriculars—including parties and Greek life, of course. Whether you’re just starting freshman year or a seasoned pro as an upperclassman, you’ll learn tips and tricks for how to survive:

- Bonding with your roommate—while setting ground rules for your new space at the same time
- Beating the dreaded Freshman 15 without having to give up dessert
- Snagging a date with the cutie from class
- Coping with stress and anxiety—even during the insanity of finals week!
- Navigating student loans and finding the best financial aid, scholarships, and post-graduate loan forgiveness programs
- Scoring awesome jobs and internships and transitioning into post-collegiate life
- Staying safe on campus so you can enjoy all college has to offer—without horror stories

Complete with fun checklists and helpful worksheets, *The Her Campus Guide to College Life, Updated and Expanded Edition* shows you how to make the most out of your undergrad experience—in and outside the classroom.
