Sammy Bird Series:

This is an illustrated children's book series about Sammy, a little bird who has a BIG personality. Did I forget to mention he is also quite the character! There are over 70+ books in this series and counting. I created Sammy based on the personalities and characteristics of my own children. That may explain why many kids can relate to this little bird and why Sammy is quite popular among children and early readers. As an author, I have enjoyed reading all the positive reviews and comments coming from children, parents, grandparents and teachers about how this red bird has impacted their life and helped children to enjoy reading.
