## **Instructions for Baking Grandma Chocolate Cake**

Follow these step-by-step instructions to create a luscious Grandma Chocolate Cake that will leave your loved ones begging for seconds:

1. Preheat your oven to 350°F (175°C) and prepare two 9-inch round cake pans by greasing them lightly.
2. In a large mixing bowl, combine the flour, sugar, cocoa powder, baking powder, baking soda, and salt. Mix well.
3. Add the eggs, milk, vegetable oil, and vanilla extract to the dry ingredients. Beat on medium speed for about 2 minutes until the batter is smooth and well blended.
4. Gradually, stir in the boiling water. The batter will be thin, which is what ensures its moistness.
5. Pour the batter evenly into the prepared cake pans and place them in the preheated oven.
6. Bake for 30 to 35 minutes, or until a toothpick inserted into the center of the cakes comes out clean.

7. Remove the cakes from the oven and let them cool in the pans for about 10 minutes.
