FUNNY BUNNY + If Only I wasn't Lonely!

Evening came and the bunnies were so tense,

Soon they must pull up the carrots next to the fence.

They grabbed hold of the leaves: what would be?

As Mr. Scope counted, "One, two, three."

They pulled and pulled with all their might,

Until the carrots were uprooted – what a sight!

If Only I wasn't Lonely!

Beyond the tallest mountains, in a forest far away,

There's a haven safe from tigers, where gentle animals stay.

They hide there from predators and live a life of ease,

Eating lots of vegetables and fruit that grows on trees.

Besides being a delightful read for children with wonderful illustrations, this book teaches such an important lesson to children - as well as to an adult who may be reading the book to a child. It is so important to be accepting of others on the basis of their character and not on looks or preconceived ideas about them.
