## **THE RAGE KING HAS AN UNQUENCHABLE LUST FOR DESTRUCTION!**

Colt Holliday knows all too well how life can sometimes just piss you off, but he's learned to control his anger issues. Or so he thinks. When an ancient god takes over his soul, Colt is faced with a rage unlike any other. Now when he gets mad, he hits like a Category 5 hurricane after too many shots of Patrón.

Colt soon finds himself in an insane world of mythical creatures—vampires, werewolves, and demons—hiding among humans. These monsters will do anything to take this new power from him. Colt needs to control the god of rage, but to do that, he'll have to win the heart of a nerdy girl possessed by the goddess of lust and a sad vampire who swore she would never fall in love again.

Disclaimer: Rage King is a steamy, rather slow-burn urban fantasy adventure that has the MC creating a harem to control the god of rage possessing him. The sex scenes are explicit. Welcome to a rich, brand-new world from Aaron Crash, the bestselling author of the American Dragons and the Princesses of the Ironbound series.
