Insure your life savings, without having to work the rest of your life! There are 3 common fears keeping Americans from retiring. Those 3 fears are: Fear of outliving income, Fear of not living long enough, Fear of long term care. Throughout our careers, many of us have been fortunate enough to be provided some sort of

retirement account with our employers. However, we have lived through multiple market crashes that have exposed just how vulnerable our investments really are. Because of this, we feel uncertain about what the future may hold for us financially. We don't like to think about the fears that are keeping us from retirement, so we carry on the delusion that we will work until we die instead of preparing to thrive during the years we finally get to have to ourselves! We were all promised social security income for life when we retired, but now that might not happen. We invested a portion of our paycheck into a retirement portfolio that could get wiped away at any moment from a market collapse. Or maybe we thought Medicare would cover long term care should we ever need it, but it turns out we needed Long Term Care Insurance. The good news is that there are multiple solutions to all of those problems and more! Adam has helped many of my clients reach a peace of mind they never thought they could attain by taking them through his 7 step approach to retirement protection. When he was a college basketball player, the coach would create a game plan and strategy to defeat the opponent Adam's team would be up against. And that is exactly how he works with my clients. He methodically helps his clients develop their own custom game plan retire fearlessly. Clients who work with Westfall Insurance are taking back their freedoms and protecting their hard earned savings and investments from the many threats trying to take it away. Now, they are free to retire and spend their remaining years thriving and enjoying their new found lives! After reading this book, the reader will be able to:- Clearly see how we are losing money keeping it in a bank account;- Navigate Social Security and Medicare;- See The impact of fees and taxes on investments;- Create tax - free investments using a life insurance savings plan- Easily construct guaranteed income streams for life- Evaluate the ins and outs of Long Term Care Insurance- And much more! Get a copy of The Retirement X's and O's Playbook and get ready to dominate the 4th quarter of your life!
