"Lahr creates a book worthy of its title: It is a living celebration of theater itself." —
Caryn James, New York Times Book Review

Since 1992 John Lahr has written for The New Yorker, where for twenty-one years he was the senior drama critic, the longest stint in that post in the magazine's history. Joy Ride is a collection of his profiles and reviews that throws open the stage door, taking us behind the scenes both on and off Broadway to introduce such creators of contemporary drama as August Wilson, Arthur Miller, Stephen Sondheim, Tony Kushner, Wallace Shawn, and Mike Nichols. The result is a delightful, literate, and essential crash course in contemporary theater.
