Kingdom Study Lessons for Growth is a very impactful workbook that teaches its readers about the Kingdom of God. These lessons can be used in conjunction

with weekly Kingdom Study Lessons found on YES2Stand (Youth Empowered 2 Stand) YouTube Channel as a means of personal and/or group study. Each lesson includes a bible basis, memory verse, bible truth, lesson aim, and discussion or review questions which helps the reader to gain a greater understanding. Four parts of each volume are published which provide continuous study of kingdom knowledge. Pastor Kirri Royal, youth pastor of Kingdom Faith Global Ministries, has written these kingdom study lessons to teach others about the Kingdom of God and has simplified them for all to understand, from youth to adult. Being filled with the Holy Spirit at the age of 12, she has dedicated her life to the Lord and is led by the spirit of God. Also, having a heart for souls her prayer is that all are blessed and encouraged through these teachings and that you may be like a tree planted by the rivers of water that bears fruit in his season with leaves that never wither, prospering in all you do."
