Updated edition of the established classic on investing in bonds

In *Bonds: The Unbeaten Path to Secure Investment Growth, Second Edition*, the fully revised and updated edition of the classic guide to demystifying the bonds market, veteran investor husband and wife team Hildy and Stan Richelson expose the myth of stocks' superior investment returns and propose an all-bond portfolio as a sure-footed strategy that will ensure positive returns. Designed to educate novice and sophisticated investors alike, as well as to serve as a tool for financial advisers, the book explains why and when bonds can be the right choice. Case studies, detailed bond strategies, and a financial planning overview bring home the value of bonds in achieving financial goals.

Presenting a broad spectrum of bond-investment options, and describing how to purchase bonds at the best prices, the book shows how to make real money by investing in bonds. The strategies presented here are designed to help the reader determine how to use bonds to take control of their own financial destiny.

- New edition includes information on corporate bonds, emerging market bonds, municipal bonds, the new global ratings, and how to protect against municipal defaults
- Looks at how bond portfolios protected against market volatility in the 2007-2008 crash and how they can do the same in the future
- Includes information on how the bond market has changed
- The wealthiest investors and financial advisers use the bond strategies outlined in this book to maximize the return on their portfolios while providing security of principal

With more bond options available than ever before, Bonds continues to be a must-have for anyone looking to understand the investment opportunities available to them.
