Roll out the red carpet for Phoebe and Her Unicorn, the stars of Dana Simpson's bestselling series of comics about two best friends who make every day magical. When your best friend is a unicorn, every day is a stroll down the red carpet. Phoebe Howell's unicorn BFF, Marigold Heavenly Nostrils, is happy to provide the celebrity treatment—teaching Phoebe fancy new spells, giving her a ride to school so she doesn't have to ride the bus, and even negotiating with the tooth fairy on her behalf.

But when Phoebe starts noticing that unicorns have become a trendy fashion statement, she doesn't feel quite so unique. Fortunately, she's distracted by adventures including a visit to the unicorn community and a trip to the woods to see her friend Dakota receive an unusual honor at the goblin award ceremony. Unicorn Famous is filled with amusing examples of the extraordinary lengths friends will go to make each other feel special.
