Be careful what you wish for. . . You just might get it.

Nick Gautier is tired of his destiny. He doesn't want to be the son of a demon who's fated to end the world. Nor does he want to see another demon or other preternatural creature who wants to kill or enslave him. He just wants to be normal teenager and have normal problems like everyone else.

But normality isn't all it's cracked up to be. When he gets sucked into an alternate reality where his mother has married his mentor and his Atlantean god best friend has become a human geek, he begins to understand that no life is free of pain, and that every person has a specific place in the universe . . . even the son of a hated demon. Most of all, he sees that his powers aren't the curse he thought they were, and that the world needs a champion, especially a champion the world's enemies can't imagine rising up to defend the very people he should destroy.

Old enemies and new friends square off for a major battle that will either restore Nick to his real world, or end him forever in #1 bestselling author Sherrilyn Kenyon's fifth novel in The Chronicles of Nick series, Illusion.
