I'm proud to state that 10% of the proceeds will be shared with Snehasadan, an orphanage in Mumbai, India. I initially wrote this book for my nephew to understand Indian festivals. My friends and family suggested I turn it into a real book since it would be fun for kids all around the world to learn about the wide variety of festivals celebrated in India. This is my first time publishing. I hope you and your preschooler enjoy reading this book as much as my illustrator and I enjoyed putting this together.
