The Early Years: Seeds of Passion

Elliott's fascination with flight began at a tender age. Growing up in a small town in rural America, he spent countless hours watching birds soar through the sky with elegance and grace. Enthralled by the power and freedom that avian creatures possessed, he knew deep within his heart that he, too, was destined to take to the skies.

The documentary examines Elliott's formative years, shedding light on the experiences and influences that shaped him into the man he became. Alongside personal interviews and home footage, we hear tales of his first homemade glider, the exhilaration of his initial solo flight, and the undying support of his family, which fueled his aspirations.

A Grueling Climb: From Novice to Expert

Like any great pioneer, Elliott faced numerous obstacles along his journey. "On The Wing" explores the challenges he encountered, both physical and mental, as he honed his aviation skills. From learning how to navigate inclement weather and treacherous terrains to mastering the art of aerobatics, Elliott's unwavering determination becomes evident.

The film takes you along on heart-stopping adventures, including his breathtaking aerial displays at international airshows, his daring flight over the Himalayas, and his audacious circumnavigation of the globe. Brace yourself for a rollercoaster ride, as Elliott's audacious feats keep you on the edge of your seat.

The Human Connection: A Journey Shared

One of the most captivating aspects of "On The Wing" is its exploration of the deeply human connection Elliott fosters throughout his lifetime of flying. The audience is introduced to a group of individuals whose lives have been touched by Elliott in one way or another.

We witness the profound impact of his aviation career on young dreamers, as he inspires the next generation of pilots through mentorship programs and speaking engagements. Furthermore, the film delves into the relationships he has formed with fellow aviators, each with their own unique story to tell.

Elliott's story is not just about an individual's quest for personal achievement; it's about the shared experiences, the connections, and the bonds formed between humans who dare to dream beyond the confines of the earth.

Beyond the Skyline: A Legacy Takes Flight

As the documentary draws to a close, "On The Wing" leaves viewers in awe of Elliott's life and accomplishments. His legacy is not only imprinted in the annals of aviation history; it lives on through the people he has touched and inspired.

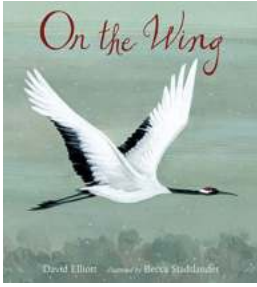

The film invites us to consider our own aspirations, to evaluate the barriers we face, and to reflect on the indomitable human spirit that propels us forward. David Elliott's story teaches us that with unwavering determination and a thirst for the extraordinary, we can conquer the seemingly insurmountable and touch the sky.

David Elliott's witty verse takes flight with gorgeous illustrations in an enchanting look at fifteen avian species for birders of all ages.

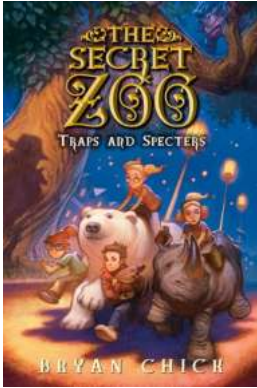

Take to the sky to explore a glorious array of all things avian, from the tiny, restless hummingbird to the inscrutable horned owl to the majestic bald eagle.

David Elliott and Becca Stadtlander bestow a sense of wonder onto such common birdfeeder visitors as the sparrow, the crow, and the cardinal and capture the exotic beauty of far-flung fowl like the Andean condor, the Australian pelican, and the Caribbean flamingo. Concise, clever verse from an award-winning author pairs with striking artwork from a debut illustrator to make this a true pleasure for anyone who loves birds.
