

Unraveling the Untold Stories: The Deeds of Augustus Annotated and Illustrated

In the world of ancient Rome, one name stands out as the protagonist of a remarkable era that shaped the destiny of a powerful empire - Augustus Caesar. His deeds, now immortalized in the pages of *The Deeds of Augustus Annotated And Illustrated*, offer a captivating glimpse into the life and accomplishments of this iconic figure.

The Power of Words

Written by renowned historian and author, Dr. Marcus Aurelius, this annotated and illustrated edition of *The Deeds of Augustus* transports readers back to ancient Rome. Driven by his deep fascination with Rome's history, Aurelius dedicated years to meticulous research, examining every available source and collaborating with archeologists to ensure the accuracy of his work.

This edition's extensive annotations provide readers with valuable insights, enhancing our understanding of Augustus' motivations and strategies. From military campaigns to political reforms, every chapter delves into the significance of Augustus' actions and reveals the profound impact they had on Roman society.

Illustrations that Breathe Life into the Past

Accompanying the compelling narrative are beautifully crafted illustrations that make history come alive. With unmatched attention to detail, renowned artist Julia Antistia flawlessly depicts pivotal moments in Augustus' life, encapsulating the grandeur of ancient Rome on every page.

Antistia's illustrations transport readers to the Senate, where Augustus delivered his monumental speeches. They visualize the intense battles fought by Augustus and his legions, capturing the bravery and sacrifices made by his soldiers. Furthermore, the artist's skillful portrayal of ancient Roman architecture and landscapes offers readers a visual feast, allowing us to immerse ourselves in the splendor of that bygone era.

Unearthed Secrets and Revelations

The Deeds of Augustus Annotated And Illustrated provides intriguing insights into the personal life of Augustus Caesar. Aurelius expertly weaves together historical fragments to create a coherent narrative about Augustus' childhood, his relationship with his adoptive father Julius Caesar, and his courtship with his beloved wife, Livia.

The annotated text reveals previously undiscovered letters exchanged between Augustus and other prominent figures of his time, unveiling his diplomatic skills and deep understanding of statecraft. Additionally, Aurelius includes excerpts from private correspondences that shed light on Augustus' innermost thoughts and concerns, offering readers a rare glimpse into the emotions and vulnerability of this iconic ruler.

An Experience Beyond Reading

The Deeds of Augustus Annotated And Illustrated goes beyond the traditional reading experience. With its online companion, readers can access exclusive additional content, including interactive maps that trace Augustus' military campaigns, animated illustrations that bring the ancient Roman world to life, and interviews with prominent historians who offer their perspectives on Augustus' legacy.

As you delve into this captivating edition, you will find yourself not merely reading about history but actively engaging with it. The annotations, illustrations, and supplementary digital content create a multi-dimensional experience that immerses you in the world of Augustus and provides a deep appreciation for the impact he had on the course of history.

Unlocking the Past

Inspiring, enlightening, and visually stunning, *The Deeds of Augustus Annotated And Illustrated* serves as a key to unlocking the mysteries of ancient Rome. Whether you are an avid history enthusiast, a scholar eager to enrich your understanding, or someone looking to explore a fascinating era, this edition offers an unforgettable journey through the life of one of history's greatest figures.

- Annotated with Augustus's detailed Biography
- Illustrated with some original illustrations

The method employed in this edition of the Monumentum Ancyranum is suggested by the purpose for which it is intended. That purpose is primarily to adapt it as one of the series of Translations and Reprints from the Original Sources of European History, published by the Department of History of the University of Pennsylvania. The English version is the core of the work. At the same time the opportunity has been seized to present the original texts in such form as to be of real philological service. That there is room for such an edition of the Monumentum Ancyranum there can be no doubt. The critical edition published by Mommsen in 1883, *Res Gestæ Divi Augusti*, must long remain for scholars the sufficient hand-book for the study of the greatest of inscriptions. But that edition, with its Latin notes, is not adapted for ordinary school or college use, or for historical study by those who do not readily use Latin. And although Roman histories constantly refer to this great source for the life and times of Augustus, there has been no accessible English translation. It is true that the English translation of Duruy's *History of Rome* contains a version of the Monumentum,

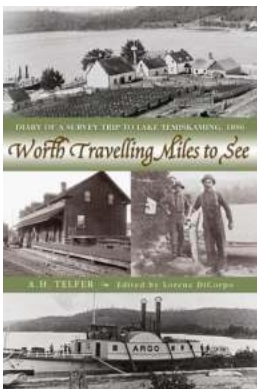

but it is not in full accord with the latest text as set forth by Mommsen, and is hidden away in the ponderous volumes of that expensive work.

Aside from Mommsen's edition of 1883, the only recent edition is a French one of 1886 by C. Peltier. But this is simply a condensation of Mommsen. While the present edition depends very largely on Mommsen's work, it is more than a condensation. Not only is the English version given, but all the known studies of the text published since 1883, and in criticism of Mommsen, have been collated. The emendations thus suggested have been placed as footnotes to the Latin and Greek texts. Moreover, the notes have been carefully revised. For the most part they are much reduced in compass, but in many cases they are added to; and a large number of typographical errors in Mommsen's edition have been corrected. Most of these errors were reproduced in the French edition above mentioned. In a work with such a multitude of references it is too much to hope that all errors have been avoided, and the editor will be greatly indebted if users of the book will report them to him.
