Having found his place as a squire to a Norman knight, Roland Inness sets off with his master, Sir Roger de Laval, and fellow squire on a perilous mission to the Holy Land. King Richard has sworn to take Jerusalem from Saladin and orders Sir Roger to assess the military situation. Joining them is the Templar Knight Tuck

as they contend with Moors, Berbers and a Sicilian usurper before reaching the battlefields in the east. There, Roland sees the ugly face of war and tests his mettle. In England, the land is awash in political intrigue, led by Prince John and Sir William de Ferrers, Roland's mortal enemy. Countering them is Queen Eleanor who picks Sir Roger's daughter Millicent for her own mission—one that puts her at the centre of a plot to turn England against King Richard.

The Saga of Roland Inness series begins with the tale of a fourteen-year-old boy who has extraordinary skill with a longbow. It is a story of courage, loyalty, honor and treachery. Most of all, it is a story of high adventure set in a time so filled with drama it has spawned legends that fascinate people to this day. It is the time of Richard the Lionheart, Robin Hood, Eleanor of Aquitaine and William Marshall, legendary figures all--some real and some fictional.

The first four books in the saga—Longbow, Warbow, The Broken Realm and The Ransomed Crown tell the coming-of-age story of the young archer. A Prince of Wales, the fifth in the series, follows Roland Inness as he leads the legendary Invalid Company into Wales to help Llywelyn the Great win a throne. The sixth book in the series, Declan O'Duinne, takes Roland and Declan to Ireland, where they are plunged into a new Norman conquest. The seventh and final book in the Saga, A Question of Honour was published in October, 2019.
